RENEWED PETITION UNDER 37 CFR 1.497(d)

Mail Stop PCT
Attn: Office of PCT Legal Administration
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This "Renewed Petition" is filed in response to the "Decision on Petition Under 37 CFR 1.497(d)" (Decision) mailed November 10, 2008, a copy of which is attached.

In the Decision, the earlier petition was dismissed without prejudice. In particular, it was noted that the Applicant had not included a statement from the assignee, consenting to the addition of the inventor named in the petition, as well as, right to prosecute under 37 CFR 3.73(b). Applicant now provides the following documents in satisfaction of those requirements:

- 1) CONSENT OF ASSIGNEE TO CORRECTION OF INVENTORSHIP and RIGHT OF ASSIGNEE TO TAKE ACTION 37 C.F.R. 1.48(a) and 3.73(b), signed by the Assignee's representative.
- 2) 3.73(b) Statement, signed by the Assignee's representative.

These two documents complete the requirements for the Petition to Correct Inventorship. In accordance with the statements in the Decision on Petition, Applicant believes that no additional fee is due, and respectfully requests reconsideration.

Respectfully submitted,
BEYER LAW GROUP LLP
